13 EXPLANATION

14 The inclusion of this explanation does not constitute agreement with
15 the explanation's substance by the members of the general assembly.

16 This bill provides for the licensure of certain food
17 establishments under the regulatory jurisdiction of the
18 department of inspections and appeals (DIA) or a political
19 subdivision that has entered into a contract with DIA (together
20 termed a "regulatory authority") under Code chapter 137F.
21 Specifically, the bill amends provisions for a temporary food
22 establishment that operates for not more than 14 consecutive
23 days in conjunction with a single event and at multiple
24 nonconcurrent events during a calendar year (Code sections
25 137F.1 and 137F.6). The license fee is \$200. A farmers market
26 is subject to regulation as a food establishment if its vendor
27 sells unpackaged foods that must be temperature controlled such
28 as meat, poultry, dairy products, cooked or prepared foods,
29 or soft pies requiring refrigeration (see 481 IAC 31.5). The
30 license fee is \$150. In each case, the license is valid on a
31 countywide basis. The bill amends Code section 137F.6(1) by
32 providing that the license is valid on a statewide basis.

33 The bill takes effect upon enactment.
